For All Products Manufactured  
{See List, Page 2}**

That for the purpose set forth in Sections 301 or 404 of the Federal Food, Drug and Cosmetic Act, that all articles comprising each shipment or other delivery to Customer will not be adulterated or misbranded within the meaning of said Act, nor will any such article be an article which may not, under the provisions of Section 404 of said Act, be introduced into interstate commerce. Seller guarantees that all said articles are in compliance with applicable laws, regulations, requirements and various programs administered, including the Federal Food, Drug and Cosmetic Act of 1938, Title 21, Parts 1 through 199, as amended, Oregon State Department of Agriculture provisions and Oregon Food Act, ORS Chapter 616. Product is manufactured in a sanitary manner in compliance with Good Manufacturing Practices as identified in Title 21 of the Food, Drug and Cosmetic Act, above. Product is also manufactured under Seller's HACCP Food Safety Program.

This document constitutes the inclusive sum of liability and responsibility, within its stated purpose, which Seller assures Customer. This document does NOT imply any (other) warranties or guarantees, which are not specifically and explicitly herein written.

Seller does not guarantee against such goods becoming adulterated, misbranded, contaminated, un-useable or unsaleable within the meaning of said Act or Acts after shipment, and by reason of causes beyond Seller's control or by misuse or abuse of product by Customer, their Customers or Customer's agents. Customer assumes and accepts complete responsibility for goods upon taking possession.

Product specifications are provided to Customer as part of this guarantee. It is the Customer's responsibility to read the specifications and to control the product according to recommended shipping, storage, warehousing, handling and shelf-rotation conditions stated on the specifications from the time that Customer takes possession of product. Seller reserves the right to change, modify, amend, correct, adjust, add or remove any test procedure, method, finished goods target, limit or range of product or to add or change ingredients, without prior consent of Customer or notification thereto, when the formula is the rightful property of Beaverton Foods, Inc. Customer is responsible for requesting updated specification sheets.

An MSDS (Material Safety Data Sheet) is not required for this product. These products are manufactured as food intended for human consumption, and they comply with all US FDA and International Standards (JECFA) governing foods. Product is hereby classified as exempt from the requirement for a material safety data sheet in accordance with Federal Regulation § 29 CFR 1910.1200, (B), (II).
