To Whom it May Concern:

This letter will guarantee that meat products at LPB INC has been inspected and passed by the U.S. Department of Agriculture, Food Safety and Inspection Service.

LPB INC is operating under USDA Est. #21547 / p21547 is a further processing company that works with beef, pork, and poultry products. A HACCP plan for this establishment is currently being implemented and documented on a daily basis. A CCP has been established for product temperature within this HACCP plan to ensure quality of the products.

The HACCP plan of this organization is reviewed periodically by the management of the company. This reassessment is required annually by the USDA and is completed by the HACCP review team.

Our HACCP plan is taken very seriously by management and staff of LPB INC. Individuals have been trained throughout our plant processes to assure full compliance with HACCP plans. We feel this serious approach to food safety will produce a safe food product.

Any questions regarding this letter can be addressed to LPB Inc.
