

ROSE PACKING COMPANY
Better Meats. Better Meals. Better Value.

To: Whom It May Concern

From: Angela Earll

Date: January 10, 2019

Subject: Letter of Guarantee

Rose Packing Company, USDA Establishment Number 251 & P-6930, is a USDA inspected facility that operates under a valid HACCP program. Our HACCP program consists of ongoing verification and validation programs and complies with all USDA requirements in 9CFR 417. Rose Packing Program also operates under a valid SSOP program that complies with all USDA requirements in 9CFR 416. Finally, Rose Packing Company also utilizes Prerequisite Programs including Good Manufacturing Practices (GMP's) to help support our HACCP and SSOP programs. All programs developed by Rose Packing Company are designed to ensure that all products are produced under sanitary conditions and meets all regulatory requirements.

Sincerely,

Angela Earll

Food Safety Quality Assurance Director
