2018 Letter of Guarantee

January 31, 2018

SQP provides boards and other packaging materials that come into direct contact with aqueous and fatty food products. Based upon information provided by our suppliers, an outside laboratory and upon our own good manufacturing practices, all of our products are compliant with FDA regulations. This certification is contingent upon customer's use being in accordance with the provisions of the Federal Food, Drug and Cosmetic Act.

Sincerely,

A handwritten signature in cursive script that reads "Chip Corah".
