**Letter of Guarantee**

Bavarian Meat Products, Inc., Establishment # 6431, is committed to food safety and providing customers with a safe, high quality product. Our operation is a USDA inspected processing facility.

Bavarian Meats food safety systems consist of General Manufacturing Practices (GMPs), Standard Operating Procedures (SOPs), Sanitation Standard Operating Procedures (SSOPs), and Hazard Analysis Critical Control Points (HACCPs) systems and validated technology interventions, which are designed to eliminate or reduce pathogens to below detectable levels. Our food safety program is monitored by an Operations manager and verified by Quality Assurance personnel and FSIS/USDA representatives on site.

Bavarian Meats guarantees that all products sold are either fresh, cured, fully cooked, shelf stable, and comply with all specific regulatory requirements. All establishment data and records generated by this establishment are maintained and available to USDA personnel upon request.

Sincerely,

*Lynn Hofstatter*
