

Rancagua, January 2021

**Dear client:**

By way of this letter, we would like to inform you that all our plants make use of an Integrated Management System, made up of standards such as GFSI (Global Food Safety Initiative) and ISO and are certified with HACCP and BRC. These certify us as a safe company from the point of view of quality and food safety.

This information is valid for the following establishments:

- Planta Procesadora de Alimentos del Sur Limitada: LEEPP 06-06
- Planta Faenadora Lo Miranda Limitada: LEEPP 06-02
- Planta Faenadora San Vicente Limitada: LEEPP 06-08
- Sopraval S.A. LEEPP 05-09

We would like to reiterate that our commitment as Agrosuper is to deliver products of the highest quality and we work on a daily basis to achieve just that.

Yours sincerely,

**Customer Service**

**Agrosuper Comercializadora de Alimentos Limitada**
