"Importers of Black Tiger Shrimp"

January 1, 2021

RE: Five Star Seafood's Letter of Guarantee

This letter is Five Star Seafood's guarantee that, as a seafood importer, we are following the U.S. Food and Drug Administration's (US FDA) importer verification requirements, including taking affirmative steps to ensure the seafood we import was processed in accordance with 21 CFR Part 123.

We also guarantee:

1. Frozen seafood will be #1 grade and will be packed in clean, food grade packaging.
2. All packaging will be clearly marked and include all U.S. FDA required labeling.
3. Product will be in compliance with declaration of weight, count and composition requirements.
4. When applicable under U.S. FDA regulations, supplier's HACCP plans will address the control of environmental pesticides, contaminants, and unapproved antibiotics to assure our seafood products are not contaminated.

Regards,

A handwritten signature in black ink, appearing to read 'Adam Chu'. The signature is fluid and cursive, with a prominent initial 'A'.
