Effective January 1st, 2021

We, Omega Sea, Inc., agree to comply with the following criteria:

1. We guarantee to operate our facility in accordance with the requirements of 21 CFR 123, Seafood HACCP regulation. We further agree that all products will meet your product specifications where such specifications exist and that all food products will comply with the requirements of section 402 of the Federal Food, Drug and Cosmetic Act as amended and Bioterrorism Act.
2. We agree not to ship seafood harvested from the waters that were so contaminated with chemicals as to make it reasonably unlikely that the levels in the seafood would be within the limits of established guidelines. We further agree not to ship seafood, which has been harvested from an area that is covered by a state CFP Advisory, or for which information from suppliers, news media, academia, or other sources indicate there is a current CFP problem.
3. We certify that any aquaculture product harvested from farms use only aquaculture drugs approved by the U.S. Food and Drug Administration and that proper drug usage is maintained. We further certify that only food or color additives approved by the U.S. Food and Drug Administration are present and declared in accordance with the applicable Federal and State Regulations.
4. We further agree that all of our products will meet or exceed the declared net weight on each container and that all products will be labeled in compliance with guidelines as set forth in the Food and Drug Administration Seafood Act.

Sincerely,

Sam Gillson
