Letter of Guarantee

Pitman Farms is a 3 generation family owned business. Pitman Farms produces Mary's Chickens, Turkeys, and Ducks and strives on providing: the highest level animal welfare practices throughout all processes of our operation, practicing responsible sourcing, and safe sound processing procedures.

Pitman Farms hereby guarantees that product shipped under the Mary's branded name follows the standards:

- No Antibiotics are used: in pre-hatch, injected into the eggs prior to hatching, feed, water or by injection.
- Mary's birds are fed a vegetarian diet that is antibiotic free and gluten free
- Mary's birds are raised with above industry standards in living space indoors and outdoors and provided most natural habitat possible.
- Pitman Farms complies with Animal Welfare and Human Handling Principles in conjunction with the National Chicken Council Animal Handling Guidelines, National Turkey Federation Animal Care Guidelines, and is an active participant of raising our poultry by standards identified by the Global Animal Partnership (GAP) and Certified Human.
- All of Pitman Farms poultry are Hatched, Raised and Harvested in the United States
- Processing facilities are USDA inspected and use HACCP programs providing an effective approach to food safety and protecting public health.
- Pitman Farms is certified to the Global Food Safety Standards and is audited annually.
- Committed to the importance of safety and responsible sourcing of employees.
- Mary's Air-Chilled Poultry are cooled individually using cold air. The Air-Chilled method prevents the absorption of water, greatly reducing and potential of bacterial cross contamination.
- Mary's Chickens and Ducks are processed using a controlled atmosphere stunner. Providing no live shackling and works in a multiply cycles that controls a percentage of CO2 gas that is administrated to insure the birds are in a complete deep sleep.
- Committed to providing environmental friendly practices where we can by using solar energy, energy efficient vehicle, smaller carbon foot print and using recyclable boxes and packaging.
- Pitman Farms is compliant with the California State Proposition 65; our products do not contain any of the materials noted on the prop 65 list of hazardous ingredients
- Pitman Farms is compliant with the California State Proposition 12; HSC 25990 through 25994.
- Products hereafter shipped or delivered are not adulterer or misbranded within the meaning of the Federal Food , Drug and Cosmetic Act as amended, to the extent said Act is then effective and applicable, or an article which may not, under the provision of Section 404 or 505 of said

Act, be the introduced into interstate commerce or adulterated or misbranded within the meaning of any identical or substantially similar state or municipal law, on the subject, to the extend said law is the effective and applicable.

- Pitman Farms complies with the Nutritional Labeling Education Act.
- Pitman Farms complies with and is resisted under FDA Bioterrorism Registration.

By the acceptance of this Guaranty, Company, its divisions or subsidiaries, agree to notify the undersigned in writing within a reasonable time to any claim for violation of any of the above-mentioned laws, giving the name and address of the complaining party and the product concerned.

This is a continuing guaranty subject to revocation by Pitman Farms on written notice thereof.
