**2022 HACCP CERTIFICATE OF COMPLIANCE / LETTER OF GUARANTEE**

DATE: January, 3rd, 2022  
TO: All Monarch Trading Company's Clients  
SUBJECT: HACCP COMPLIANCE /LETTER OF GUARANTEE

---

This letter serves as official notification that Monarch Trading Company LLC will continue to operate under the U.S. Federal Food & Drug Act and (21 CFR) Hazard Analysis Critical Control Point (HACCP) Guidelines.

Monarch Trading Company LLC and all of its import sources comply with all the procedures for the safe and sanitary importation and distribution of Monarch Trading Company LLC's related products as outlined by the U.S. Food and Drug Administration in the federal register dated December 18, 1995 CFR PARTS 123 and 1240 mandating the application of HACCP principles.

Monarch Trading Company LLC continues to conduct Hazard Analysis for all of its seafood related products and has constructed a HACCP plan where applicable, written and implemented standard sanitation operating procedures and has received from all its suppliers a certificate of compliance that all of the seafood product at each facility are considered by the U.S. Food Inspection Agency to be processed in accordance with the requirements of the United States Food and Drug Administration Regulation 21 CFR PART 123.
