Re: Letter of Guarantee

To whom it may concern,

Thank you for your inquiry regarding our Food Safety Programs at Willamette Valley Meat Company, establishment 21134.

Willamette Valley Meat Co. guarantees that our products are safe, wholesome and produced in accordance with all applicable food safety and handling laws. This letter shall serve as notification that Willamette Valley Meat Co. operates with USDA approved HACCP and SSOP Programs that comply with the Code of Federal Regulations. We have determined per FSIS Notice 65-07 that E. coli 0157:H7 is a hazard not likely to occur in the production and distribution processes currently in operation. Our HACCP plans also address specified risk material (SRM's) in response to FSIS Notice 4-04.

Willamette Valley Meat Co. is committed to continuous improvement, which is measured, evaluated and validated for effectiveness by a third-party agency at least once a year. We currently participate in a GFSI certification food safety audit under the BRC Global Standard for Food Safety Issue 8.

We look forward to continuing to provide meat products that meet the best quality and food safety standards. Should you have any additional questions concerning our HACCP Programs or BRCGS Certification, please contact me at (503) 232-0933.

Sincerely,

Jason Klein
