Re: Continuing Letter of Guarantee

Brookwood Farms products comprising each shipment or other delivery hereafter made by the undersigned guarantor have not been adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act.

All packing materials used in connection with the above-mentioned shipments meet all FDA and USDA requirements for food use.

Brookwood Farms complies with regulations promulgated by the USDA and are governed under the USDA, FSIS.

We are SQF certified and have an approved HACCP Program in place, including an active product/recall system. We are a voluntary inspection site with the USDA and are a USDA approved establishment #1740, adhering to all USDA procedures for processing and packing Ready-to-Eat Products.

A comprehensive third-party HACCP system verification / validation review is completed annually which meets the regulatory requirements stated within **9 CFR 417.4(3)**.

This guarantee is valid for 36 months from the date issued. This guarantee is subject to revocation by the undersigned guarantor on thirty days written notice.

Respectfully,

Stephen Wood
Director of Quality Control
