Dear Pacific Food Distributors/ Packaging:

This letter is to state and guarantee that all the raw materials used in the manufacturing of the plastic bags supplied by my company, West Coast Trading & Imports, Inc. complies with the Food and Drug Administration (FDA) Specifications according to U.S. FDA 21 Code of Federal Regulations part 177.1520 (c) (2.1) which allows for polyethylene unmodified used in articles that contact food except for articles used for holding food during cooking, and (2.2) which allows for polyethylene unmodified used in articles for packing or holding food during cooking.

A handwritten signature in black ink, appearing to read 'John Lau', with a long horizontal flourish extending to the right.

Sincerely,

John Lau, President
