To whom it may concern,

AZ GEMS INC guarantees that the seafood it supplies to its customers are produced in facilities that have developed and implemented HACCP programs in accordance to the guidelines described in the Title Code of Federal Regulations Part 123-Fish and Fishery Products HACCP Regulations. Daily HACCP monitoring procedures are conducted and HACCP programs are verified periodically to ensure all products are HACCP compliant. Effective Sanitation SOP's based on current GMP's in manufacturing, Packing or Holding Human Food as established in the Code of Federal Regulations, Title 21, Chapter 1, Part 110 are implemented.

We hereby confirm that we have completed registrations with FDA in accordance with the Public Security and Bioterrorism Preparedness and Response Act of 2002.

Sincerely,

Bhargavi Sajja
Vice President
