Dear Valued Customer,

Please use this letter to certify that the Wing Lee<sup>®</sup> Farms poultry are hatched, raised, and harvested in the USA and harvested at our slaughtering establishment in Chino, CA staffed with USDA FSIS inspection program personnel. Our establishment permit is USDA Est. P-33902 and operates in accordance with the regulations set forth by the United States Department of Agriculture (U.S.D.A) as they apply to our establishment, which bears an approved religious exemption for our Buddhist-Style (head-on/feet-on) poultry. These guidelines include, but are not limited to, Hazard Analysis and Critical Control Point (HACCP) plan and Standard Sanitation Operation Procedures, which conforms to all applicable requirements set forth in 9 CFR part 417 and 416 of the Federal Register respectively. Poultry products from our facility are fully inspected and passed under U.S.D.A. supervision and meet other regulatory requirements per F.S.I.S.-U.S.D.A. guidelines prior to shipment.

Sincerely,
