General and Continuing Guarantee

The HDPE 17x11x18 16mic natural poly bags we provide to you are processed from raw materials, according to our suppliers, that meets the requirement intended for food contact applications as described in FDA regulation under 21 CFR 177.1520, however, specific limitations or conditions of use may apply.

Uni-Poly, Inc. relies without further investigation or testing, on the certifications of our suppliers that the raw materials we purchase from our suppliers comply with the above regulations.

Uni-Poly, Inc. makes no further representatives or warranties of any kind, expressed or implied, with respect to these products, whether as to merchantability, fitness for particular used or otherwise.

Sincerely,

Julie Ma
